TO WHOM IT MAY CONCERN

We at Storage King Oakleigh always try to provide the most professional service possible at all times.

Over the past year we have been dealing with 'Vic Movers', and have found them to be a company, with the same philosophy as ourselves.

Vic Movers have never given us any cause for concern.

We have only had positive feedback from our clients', concerning the service received, and the honesty and integrity of this company.

Michael Robertson,

Manager,

Storage King,

Oakleigh.
